

FX: BLAST OF SONIC. LIFT ACCELERATES.

DOCTOR:  
Wheeeeeeee!

IANTO & JACK:  
Aaaaarg.

MYFANNY:  
Squawk!

SCENE 7. INT. SUV

FX: THEY ARE BOMBING THROUGH TRAFFIC

DOCTOR:  
I swear that pterodactyl doesn't like me.

JACK:  
She's a critic.

DOCTOR:  
What's her name? Sylvia?

IANTO:  
No.

DOCTOR:  
And this car, I love this car.

IANTO:  
We call it the SUV.

DOCTOR:  
"S.U.V." So many lights it's like Marbella on wheels.

JACK:  
The SUV monitors rift activity and is able to remotely conduct quantum suturing.

DOCTOR:  
(SARCASM) "Quantum Suturing". Bless. I had a car once. She was called Bessie. Names are important. (PAUSE)

JACK:  
Any special powers?

DOCTOR:  
She was yellow.

IANTO:  
Well now.

DOCTOR:  
And - I also had a flying car!

IANTO:  
What was her name?

DOCTOR:  
I - I really can't recall.

THEY DRIVE ON
